

Contract Financing Proposals

Corbin Evans

Director of Regulatory Policy
CEvans@NDIA.org, (703)–247–2598

**Public Meeting
February 19, 2019**

INDUSTRY CONCERNS

with performance data aggregation

NDIA

- **Dilutes the importance of performance on individual contracts for significant programs**
- **Allows a single contract to negatively impact financing rates across an entire unit**
- **Discourages Innovation & Risk Taking**
- **Distorts competition by building in advantages/disadvantages**
- **Adds an additional administrative task to the contracting workforce**

Thank You
